

# Your Dream Backyard Oasis Starts Here

Entertainment shouldn't be trapped inside four walls.

True outdoor entertainment requires more than just a great screen. It takes a complete, weather-resistant system designed to deliver the ultimate viewing and listening experience in any season.

From all-weather smart TVs to rich audio, heavy-duty mounting, and year-round protection, Neptune™ has everything you need to transform your backyard, patio, or pool area into a premium entertainment hub.

## The Complete Neptune™ Ecosystem

**All-Weather Smart TVs:** Powered by webOS Hub for instant streaming. Available in Full Sun, Partial Sun, and Shade models to perfectly match your outdoor lighting.

**Award-Winning Outdoor Soundbars:** Specifically engineered to cut through outdoor ambient noise, delivering crystal-clear, impactful audio.

**Heavy-Duty Outdoor Mounts:** Choose from Articulating, Tilt, or Ceiling mounts built with rugged materials to keep your display secure in any environment.

**Protective Weatherproof Covers:** Protect your investment from wind, rain, dust, and snow with our durable, easy-to-use outdoor TV dust covers.
